

COPYRIGHT ASSIGNMENT AGREEMENT

Copyright to (full title of the paper):

(hereinafter: **manuscript**)

by:

(hereinafter: **author/s**)

shall be transferred to **The institute of History Belgrade**, the publisher of *Istorijski časopis* (hereinafter: **the publisher** and **the journal**) after the paper has been accepted for publication. If the manuscript is not accepted for publication in the journal, the authors shall retain all rights.

Authors hereby warrant that the manuscript represents their original contribution and that it has not been published before; that it is not considered for publication elsewhere, that all co-authors, if any, approved its publication; and that implicit or explicit approval was obtained from competent bodies of the institution where the research was conducted. Authors affirm that the article does not contain unfounded or unlawful claims and does not violate the rights of others. If the paper includes content protected by copyright, authors warrant that they obtained a written permission for its use from copyright holders.

The copyright to this paper shall be transferred to the publisher. The author with whom correspondence is conducted (hereinafter: **the authorised author**) shall warrant that he/she is authorised to effect the transfer of copyright to the publisher.

By signing this Agreement, the authorised author shall transfer to the publisher the following rights to the manuscript, including any supplemental material, and any parts, extracts or elements thereof:

- the right to reproduce and distribute the manuscript in printed form, including print-on-demand;
- the right to print test copies, reprints and special editions of the manuscript;
- the right to translate the manuscript into other languages;
- the right to reproduce the manuscript using photomechanical or similar means, including but not limited to photocopy, and the right to distribute such copies;
- the right to reproduce and distribute the manuscript electronically or optically on any and all data carriers or storage media, especially in the machine readable/digitized form on data carriers such as a hard drive, CD-Rom, DVD, Blu-ray Disc (BD), MiniDisk, data tape, and the right to reproduce and distribute the manuscript via these data carriers.

- the right to store the manuscript in databases, including online databases, and the right of transmission of the manuscript in all technical systems and modes;
- the right to make the manuscript available to the public or closed user groups on individual demand, for use on monitors or other readers (including e-book readers), and in printable form for the user, either via the internet, online services, or via internal or external networks.

Papers published in the journal are in the open access regime and may be distributed in accordance with Creative Commons license – Attribution-NonCommercial-NoDerivs 4.0 International (<https://creativecommons.org/licenses/by-nc-nd/4.0/>) at any time following the publication in the journal.

The journal allows authors to deposit the accepted, reviewed version of the article, and the final published PDF version in an institutional repository and/or non-commercial repositories, or to publish it on personal web pages (including social networking sites, such as ResearchGate, Academia.edu, etc.) and/or the website of the institution where they are employed, at any time after publication in the journal. The publisher, as the copyright holder, and source must be acknowledged and a HTML link must be made to the article's DOI.

Immediately after receiving the version for proofreading, authors shall check the text, correct typing errors, if any, and approve the publication of the corrected version of the manuscript.

The authorised author shall inform all co-authors of all the above provisions.
